Community Paramedic Conference February 24-25, 2022

*Embassy Suites
Bloomington, MN*

About the Community Paramedic Conference

The Minnesota Ambulance Association will be hosting a two-day conference aimed at current community paramedic providers and those involved in the implementation, education and study of community paramedicine. The conference offers educational sessions along with an evening of social networking. The sessions are geared toward providing continuing education credit for current community paramedics as well as assisting programs in planning and implementing their programs.

We invite you to join us as an exhibitor or sponsor. At this event as an exhibitor or sponsor you will have access to conference attendees who are out in the community every day providing and promoting community paramedicine as well as those around the country seeking to implement a community paramedic program.

Non-Profit Conference Exhibitor - \$250

Each exhibitor will be provided a table, 2 chairs, electrical service, and a post conference list of attendees. Meals & social hour included. Exhibitor logo will be included in the program.
