

CALL FOR PRESENTATIONS

Community Paramedic Conference

February 24-25, 2022

Embassy Suites Minneapolis Airport
Bloomington, Minnesota

Submissions Due by October 31, 2021

The Minnesota Ambulance Association will be hosting a two-day conference aimed at current Community Paramedic providers and those involved in the implementation, education and study of community paramedicine. Presentations will range from 45-60 minutes. Please provide objectives for your presentation, a short description for the conference brochure and a bio with photo. One of our goals with this conference is to advance the profession of Community Paramedicine/Mobile Integrated Health.

The conference is intended to support people working in the Community EMT/Community Paramedic world. Non-academic presentations will be considered, and creativity is appreciated.

Audience

The sessions are geared toward providing continuing education credit for current community paramedics as well as assisting programs in planning and implementing their programs.

Areas of Focus

Patient Education

Adoption or alternatives to Motivational Interviewing, novel ways to improve health literacy, patient advocacy

Best Practice for CP care

Examples of care done by CP on various health conditions (Diabetes, COPD, Wounds...)
