Position Details

As a Firefighter Paramedic, you provide quality care to our community with your commitment to protect and save life and property. We take care of you with a strengths-based culture of support and development and a total rewards package. Our department has a very active health and wellness program to support our members to include physical and emotional wellness.

Burnsville Fire is a full-time career department that responds to all hazards and provides advanced life support emergency medical service transport capability to our community. Our 51 member department operates out of two fire stations, is ready to serve at a moment's notice, and actively engages with the community to reduce risk and increase safety awareness. This role works 12 and 24 hour rotating shifts and has a starting wage of \$39.92 per hour. The city welcomes lateral candidates to apply.
