

Primary Service Area

Benefits of the PSA Law

No Competition

- Specifically defined territories
- Licenses granted based on need (Chapter 144E)

24/7 Care for All

Ambulance response regardless of location, ability to pay

Systems Approach

Organized around populations, not political subdivisions

MAA Members Support the PSA Law

- ✓ Enacted in 1970
- ✓ Supported by the MN Supreme Court (257 N.W.2d 343)
- ✓ Allows providers to focus on patient care, not territories
- ✓ State-wide coverage for all
- ✓ Encourages a systems approach to EMS, collaboration
- ✓ Encourages provider investment in system improvements
